

NAITIK DARJI

Software Developer | Python & Web Development

Ahmedabad, Gujarat, India | +91 7984633984 | naitikdarji119@gmail.com | [Linkedin](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Motivated Computer Applications student (MCA, pursuing) with a strong foundation in software development, web development, and database management. Hands-on experience building Python and JavaScript applications, integrating APIs, and developing responsive web interfaces. Quick learner with a passion for building creative, practical software solutions.

EDUCATION

Master of Computer Applications (MCA) 2025 - 2027

Lokmanya College of Computer Applications, Ahmedabad, Gujarat — In Progress

Bachelor of Computer Applications (BCA) 2022 - 2025

Lokmanya College of Computer Applications, Ahmedabad, Gujarat

- GPA: 6.6 / 10.0

PROJECTS

Weather Check App

- Built a Python-based live weather checker that displays real-time weather information for multiple cities and states.
- Integrated the OpenWeatherMap API to fetch and present current weather data through a simple, user-friendly interface.

Personal Portfolio Website

- Developed a fully responsive portfolio website from scratch to showcase technical projects and skills.
- Used HTML, CSS, and JavaScript to create a clean layout and consistent experience across devices.

Snake Game

- Developed a Snake Game in Python using Pygame with movement controls, food generation, scoring, and collision logic.
- Implemented smooth gameplay through event handling, game loop management, and a simple graphical interface.

Quiz Game

- Created a client-side quiz application using modular JavaScript architecture to manage complex game states.
- Implemented question randomization, score calculation, and countdown timers using HTML, CSS, and JavaScript.

SKILLS

Core Skills: Software Development, Web Development, Debugging, Database Management, Responsive Web Design, Programming

Technologies: Python, HTML, CSS, JavaScript, Django, MongoDB, MySQL, SQLite, Pygame, OpenWeatherMap API, Git, GitHub, Visual Studio Code

Languages: English, Hindi, Gujarati

Interests: Learning New Technologies, Building Creative Software Solutions
